

BOOK CLUB in a bag

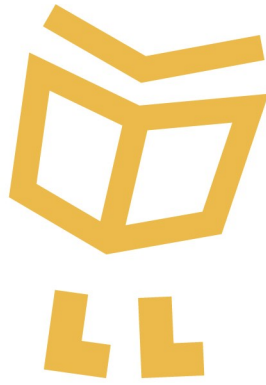

Pageboy: A Memoir Elliott Page

Discussion Questions

1. Did the author use a chronological, thematic, or episodic structure to tell their life story in the book, and how did this choice enhance their narrative?
2. How did the author develop their voice and personality in the book? Did you like them or find them interesting? Did they have any humor, honesty, or insight that made them memorable or relatable?
3. How did the author create interest and engagement in the book? What were the main events or turning points that shaped their life story? How did they capture your attention and curiosity?
4. Did the author surprise you with any revelations or discoveries in the book? Did you learn anything new or unexpected about them or their life experiences?
5. How did the author portray the other people in their life in the book? What was their influence or impact on the author's life choices or outcomes?
6. How did the author explore topics such as identity, family, relationships, career, or spirituality?
7. How did the book end? Were you satisfied with the conclusion or reflection of the author's life journey?
8. How did the author's story make you reflect on your own life and experiences?
9. Why do you think the author wanted to tell their story? What do you think is the main thing they wanted you to come away from reading the book with?
10. Did you find the author to be a reliable narrator of their own history? Why or why not?
